The draft photo electoral rolls shall be published on 04.11.2013, followed by final publication on 06.01.2014. National Voters' Day will be celebrated on 25.01.2014. In the letters second and third read above, the Election Commission of India has issued instructions to the Government to fill all vacant posts related to revision of electoral rolls and to impose ban on transfer of officials connected with the revision of electoral rolls.

2. The prime objective of the revision is to produce upto date and accurate photo electoral rolls with the cooperation and involvement of the electors, political parties, rural and urban local bodies, NGOs etc. This exercise requires a massive effort on the part of the electoral authorities in the State and this cannot be completed without strengthening them with adequate staff. 3. The existing provisions of the Representation of the People Act, 1950 stipulates that any officer or staff employed in connection with the preparation, revision and correction of the Electoral Rolls shall be deemed to be on deputation to the Election Commission for the period during which they are so employed and such officer and staff shall, during that period, be subject to the control, superintendence and discipline of the Election Commission. Any transfer of key officials during the period of revision will adversely affect the work and the quality of revision process. The entire revision process has to be done in a prefixed time schedule. The gigantic work involves meticulous planning, professional management, close supervision as well as monitoring and discussion with stake holders including political parties, RWAs/NGOs etc. It is, therefore, necessary that during the aforesaid period, the transfer of any officer engaged in this exercise should be avoided.
